

A Golden Anniversary is certainly something to celebrate and I am so very proud as we celebrate 50 Beautiful Years in the UK.

Tonight is your night to celebrate too. To be a President's Club Representative takes hard work, dedication and commitment and it is not an achievement that anybody should take lightly. Whether you have been a President's Club member for one year or a number of years, your contribution is valued by me and everyone at Avon.

I would love to be able to attend every dinner to congratulate you in person for your achievement; but as there are so many dinners throughout the country it is just not possible. If I am lucky enough to be at your dinner this evening then I look forward to meeting you. If I am not able to attend, I hope that I will meet you some time in the future and that you enjoy your special evening.

You are such a valued part of Avon and this evening is all about you – so, enjoy your meal, catch up with old friends and make new ones and most of all celebrate your achievement.

Have a wonderful time.

Grilled provencale vegetables
& mozzarella filo tart (V)

Lemon tart
with Chantilly Cream

Coffee and Mints

Welcome to this celebration dinner, held in
honour of your achievements during 2008.

Hope you enjoy your evening.

Best wishes from your President
